

GENERAL TERMS AND CONDITIONS 1 OCTOBER 2013
The following General Terms and Conditions (hereinafter referred to as "General Terms") and the Specific Terms and Conditions (hereinafter referred to as "Specific Terms"), hereinafter together referred to as "General and Specific Terms", constitute a legal agreement and are applicable to the content and Services supplied via Short Messaging Service (hereafter referred to as "SMS service") as well as to the http://old.celdorado.mcabuk.dev.cligdigital.com/ZA/support/specificservices supplied via the internet, this website or a wapsite ("the Sites") and/or via other means of mobile content delivery by the Provider or its affiliates (hereafter referred to as "Provider", "we", "us", "our"), unless otherwise agreed in writing. PLEASE SEE THE SPECIFIC TERMS AND CONDITIONS THAT APPLY FOR YOUR COUNTRY HERE. Both uses of the SMS service and of the internet (including the use of the Sites) are collectively referred to as the "Service" or "Services". Provider is permitted to amend these General and Specific Terms at any time. Therefore, read these pages regularly. In the event of use or consumption of certain content and Services, in addition to the General and Specific Terms any rules of play, rules of contest, sales promotion conditions, guidelines or provisions applying to these content and Services and made known beforehand will also apply (hereafter referred to as "Additional Provisions"). The Additional Provisions are considered as inserted here and are an integral part of these General Terms. In case of any discrepancy between these General Terms and the Additional Provisions, the latter shall prevail. These General Terms also incorporate and include Provider's Privacy Policy and Copyright Policy. In the free welcome message from Provider you will find the URL (Uniform Resource Locator) of the Sites on which the General and Specific Terms have been posted. You and/or the bill payer accept that they have been given an opportunity to read and accept the General and Specific Terms before using the Service. ACCEPTANCE OF THE SMS CONTENT AND SERVICES AND USE OF THE SITES CONSTITUTE ACCEPTANCE OF THESE GENERAL AND SPECIFIC TERMS, THE COPYRIGHT POLICY AND THE PRIVACY POLICY. If you do not agree, do not use the content and Services.
1. DESCRIPTION OF THE PROVIDER By means of the Services, Provider supplies its users access to a network of on-line and wireless applications, including, but not limited to news or information, e-mail, chat services, jokes, horoscopes, games, ring tones, wallpapers, fun sounds, real tones and videos. The Service may also include access to content and Services of independent third parties. The General and Specific Terms and Additional Provisions are also applicable to any expansion or improvement of the present Services. The Service (or any part thereof) can be amended at any time temporarily or permanently or terminated by Provider. You agree that Provider is not liable towards a third party or you as user if the Service is amended, terminated or suspended.
2. ACCESS TO THE SERVICE, AVAILABILITY AND AGE RESTRICTION; YOUR RESPONSIBILITIES In order to use the Service you (1) must at least have reached the age as described in the Specific Terms and authorized wireless account holder and/or have bill payer's permission to sign-up for and use the service on his behalf and (2) agree on behalf of the bill payer and yourself to be bound by these General and Specific Terms. When you sign-up for and/or use the Service you acknowledge and confirm that you have read and accepted the General and Specific Terms and that you comply with the terms that apply in your situation, as specified above. The Service is provided "as is" and "as available" at the time of use or consumption and Provider does not accept any liability or provide any guarantees if personal settings, information or messages are not saved (on time), are deleted or incorrectly delivered. In order to use the SMS service you must have the necessary mobile communication means. Some wireless applications are only available for a select number of mobile phones. This is an issue with the handset manufacturers, hence out of the control of Provider. To prevent any disappointment, we ask you to check the compatibility of your handset before subscribing to the Service, as listed under the compatible handsets section, mentioned in the Schedule "Compatible Handsets" on the Sites. In addition, YOU MUST HAVE A MOBILE COMMUNICATIONS SUBSCRIPTION WITH A PARTICIPATING CARRIER OR OTHERWISE HAVE ACCESS TO A MOBILE COMMUNICATIONS NETWORK FOR WHICH PROVIDER MAKES THE SERVICE AVAILABLE AS WELL AS ANY CARRIER SERVICES NECESSARY TO DOWNLOAD CONTENT, AND PAY ANY (CARRIER) SERVICE FEES ASSOCIATED WITH ANY SUCH ACCESS. YOU MUST HAVE A WORKING INTERNET CONNECTION INSTALLED ON YOUR MOBILE PHONE (WAP, GPRS). FOR INSTRUCTIONS, PLEASE CHECK YOUR CARRIER'S WEBSITE. You are responsible for making sure that you have the devices needed to effect the connection, including a mobile telephone or personal computer or any other devices that may be necessary. You are responsible for ensuring that your equipment and/or software do not disturb or interfere with Provider's operations. Any equipment or software causing interference shall be immediately disconnected from the Service and Provider shall have the right to immediately terminate or suspend the Service. If any upgrade in or to the Service requires changes in your equipment or software, you must effect these changes at your own expense. Access to the Service can be provided by delivering to you downloadable content of the category you subscribed to (e.g. by delivering a wallpaper) or by enabling you to download the content (e.g. by delivering a wap-push link or a PIN for download of the content on dedicated Sites or by providing access to the content (e.g. by enabling MSISDN (mobile station integrated services digital network number) for the content). The fees shall become due irrespective of whether or not you actually download any content; the consideration for the fees shall solely be the provision of the right to download, receive and/or access downloadable mobile (entertainment) content.
3. FEES For the SMS service you must be registered as an account holder and charges of the SMS service will be billed on your wireless phone bill or deducted from your balance. Separate wireless provider text message fees apply. In the free welcome message from Provider you will find information about the fees to be paid to Provider and the frequency of the Service. All fees, including fees for existing subscription contracts, are subject to change upon notice from Provider. Provider will provide you with reasonable notice of such change. If you do not accept the new fees (which will be applicable on a prospective basis only), you may cancel your subscription and/or your account effective immediately upon termination. In the event of invoices from a third party the payment conditions of this third party will apply to these invoices. You will pay or reimburse to Provider all national and local or other taxes (excluding taxes based on the net profit of Provider) including but not limited to sales transaction taxes, occupancy-related property tax and tax on games of chance or any levies imposed in lieu thereof, which taxes are based on the costs due for the use of the Service, regardless of whether those taxes are levied either now or in the future by international, European, national or local authorities or by any other body or bodies authorised to levy taxes.

You undertake at the end of each session to close your account (by closing your browser) and to contact Provider if you notice or suspect that unauthorized use has been made of your password or account, or that security or protection of the Registered Information is no longer guaranteed for any other reason. Provider may provide you with access to some Services without you registering as a user, such as sign-up via your mobile phone for the SMS service. In each such case your identification is based on means of identification that we deem appropriate, such as your mobile telephone number. In each case you will receive a free welcome message from Provider. We ask you to check and store this message on your mobile phone.

We offer you information on the Sites that correspond with the Service and/or via the SMS service. Also, in the free welcome message from Provider you will find information on how to cancel the Service. Generally, information received via the SMS service can be interrupted by sending an SMS message starting with the keyword, i.e. your entry code, followed by a space and then the word STOP, or such other data as may be designated on the Sites. You can send this message to the abbreviated number (the short code) you used for entry. For example you can send the message ZOO STOP (to stop the ZOO service) to the applicable short code and cancellation shall become effective immediately upon receipt of termination request. In addition, an e-mail can be sent to the mail address, as communicated to you on the Sites and/or through our Services or the telephone number, as described in the Specific Terms, can be called. In this case, cancellation shall become effective within 48 hours upon receipt of termination request. Charges may still appear on your mobile phone bill the following month as carriers bill retrospectively. At its own discretion, Provider may, without prior notice to you, suspend or terminate use of the Service by you and destroy and remove Registered Information within the Service for any reason.
